They are into the first game of the day and it is a great stream so far. I feel like since they are playing at the Beyond The Summit house it is way more laid back and enjoyable. Anyone else watching?

If only the casters would cast the game.

They were talking about cake and cheese over an ace and didn't even comment on it.

The stream was hilarious, I loved it?

I'm looking forward to watching more. Brax is allowed to play, supposedly.
