Thread: [420 Legalize It Sale](#)

**Omniscient** - April 20, 2017, 12:24 pm

In honor of 4/20 I am lowering the cost for the Legalize It award to \$40 (normally \$50).

I donate 25% of the award purchases towards a NORML.org donation which supports Legalization and decriminalization of Marijuana.

<https://hackforums.net/buyawards.php>

I have also added ETH, XMR, DASH, LTC and DOGE as payment options along with BTC of course.

So enjoy your 420 day and thanks.

EDIT: Also making the award reason "Thank you for supporting legalization on 4/20" for the day.

Not one to partake but I 100% support legalization and personal use for both recreation and medicinal.

**Imagine8** - April 20, 2017, 12:33 pm

OOo fancy, I could do with actually having an award that isn't the ub3r sapphire.

Omni if only you created your HF account a day earlier.

**Vitani** - April 20, 2017, 12:55 pm

Just purchased the award. It looks pretty cool and I am all for the legalization as well. As long as it's used responsibly the effects could help so much people.

I assume most of you if not all are aware how Marijuana could help people, but for those of you who don't know what I am talking about:

Thanks for doing that Omniscient.

The percentage that is donated really can make a difference.

Seen so many who could use it as medicinal. Glad that you are supporting it.

Nice banner, heh.

**SLY** - April 20, 2017, 1:12 pm

happy 4/20. Good to see all the support!

**Tenseigan** - April 20, 2017, 1:14 pm

What a deal.

Thanks for lowering the price on this Omni, I would cop but I'm trying to get all the diamond awards first so it'll look pretty.

**Vince** - April 20, 2017, 2:55 pm

Sales like these are what make me wish I would of gotten into BTC :\

Sadly, all I use is my Credit Card now.

**Anakin™** - April 20, 2017, 3:01 pm

Supporting the cause. Just got it as well.

Yeah, I really have never gotten into crypto, mainly because I don't deal on the forums here. Don't trust anyone in the marketplace at all so had no reason to use BTC or get into it.

**Archeery** - April 20, 2017, 5:13 pm

Going buy this now! I can never resist a sale!

**Armada** - April 20, 2017, 6:03 pm

Being I already have the award, is there a way I can simply contribute without the added pixels to the profile so to speak?

NORML is a great cause....

You can always buy the award for a friend of yours who doesn't have it, that'd be contributing.
