Thread: [Method to get unlimited free RDP's](#)

mvmt - April 23, 2017, 2:57 pm

Stumbled across this a while back and thought I would share with everyone as I'm sure some will find it very useful. This will show you how to get unlimited free RDP's anytime you need access to one. It's much faster and a free alternative to using a VPN.

If you are interested in this, let me know and I'll be glad to share with you.

OnePlus6 - April 23, 2017, 2:59 pm

Method offered is rather simple. Doesn't even require registration and it is indeed a decent alternative to a VPN.

Do note that they may log your activities, haven't read the privacy policy yet.

Thanks again lad.
