Hope we at least get a season 2 of the anime.

Quote:The 21st issue of this year's Shounen Sunday has announced that the combined 22nd and 23rd issue of the magazine will contain the final chapter of Daichi Sorayomi's Keijo!!!!!!!! manga. The issue will go on sale on April 26.

Keijo!!!!!!!! has been serialized in Shounen Sunday since July 2013. The series currently has 15 volumes in print, with the 16th and 17th volume scheduled to ship on May 18 and June 16, respectively. An anime adaptation by Xebec aired in Fall 2016, and was simulcast by Crunchyroll. FUNimation streamed the series alongside with an English dub. The six Japanese Blu-ray and DVD volumes will each bundle a bonus anime, with the first volume shipping on November 23.

Quote:The May issue of Dessert magazine, released on March 24 and containing the 69th chapter of Kanae Hazuki's shoujo manga Suki tte li na yo., revealed that the manga will end in four chapters. The 17th compiled volume, which was released last October, mentioned that 18th volume will be the final volume of the series.

Suki tte li na yo. began its serialization in February 2008. The manga received a TV anime adaptation in Fall 2012 and a live-action movie in July 2014.
