Thread: [What image hosting sites don't modify your image?](#)

webdev77 - April 25, 2017, 8:54 am

Just curious which image hosting sites don't compress or modify your uploaded pictures in any way. Thanks to all contributors.

Exiledperson - April 26, 2017, 2:14 am

Used imgur a lot, not 100% sure but I've never seen any less quality on the images.

CaptainBlack - April 26, 2017, 4:07 am

Well I use <https://postimg.org> it's imho the best image host out there

webdev77 - April 26, 2017, 7:15 am

That's blocked from HF, but thanks for the idea.

Mr. Robot - April 26, 2017, 10:17 am

Uploading to HF works, also I generally use <https://imgbb.com/>

CaptainBlack - April 26, 2017, 10:33 am

Dang didn't notice that.. It was post image org.. Don't wanna violate the rules but my earlier post looks ridiculous.. Sorry
