Thread: [Lucy \[Elfen Lied\] Sketch](#)

Agramon - April 26, 2017, 5:54 pm

Hey. Sketched Lucy from Elfen Lied, and I'm essentially done with it now.

Any suggestions or comments?

Hardest thing about sketching anime characters and eyes and hair.

Honestly it looks pretty good

Yui-Senpai - April 27, 2017, 4:57 am

The tits are shit, rest is good

I swear Tsundere is.

I like it, you really nailed everything besides the hands looking weird for some reason.
