I feel like this is a small market, but thanks it could be useful.

I was actually looking for a Tranny pack at one point, I wanted to corner that market since people who are interested in that are REALLY interested in that.

DarinZanyar - April 28, 2017, 1:43 pm

Its not as small as you might think,since alot of ppl are reserved about their sexuality,and those closeted ones buys best from me
