hey there. so like many of you of, i have not been making alot of money recently. i just kept going and going at snapchat to try and get some traffic. I started snap monday and i currently have around 600+ views on my snaps everytime and today i got my first sale on snap. i triple dipped him for \$15 each time. this post is just to say to not stop trying. just keep going and going and you will eventually get better and SE and just ewhoring in general. good luck with sales boisee

Thats pretty damn nice! 600 views isnt a lot but imagine how many views you can get in like 2 weeks or something!

Keep the \$\$ coming in!
