Buyers vouches:

(Apr 29, 2017 02:44 AM)memehack Wrote: [\[CITE\]](#) Bought it, very friendly seler. Good and working way to get cheap clothes that you maybe later can resell for more money.

(Apr 29, 2017 06:29 AM)BATGOD Wrote: [\[CITE\]](#) I am from India and I know this seller very well. Vouch for him and his method. It will definitely work for you if done as per his method!

?lex - April 28, 2017, 11:45 pm

I will be more than happy to post a review if you send me a vouch copy.

Sent, only one copy left now.

Reporter - April 28, 2017, 11:47 pm

Is this any kind of "Spilling food on the clothes" / "This item is a bit broken can I get it cheaper" ?

Willing to take a vouch copy !

I have gotten an Vouch copy.

This method is indeed illegal and you can be convicted for theft & fraud.

There has been multiple incidents across the world where people has convicted.

?l??? - April 28, 2017, 11:49 pm

Still giving away another vouch copy maybe?

Id be interested in writing a review.

kookur - April 28, 2017, 11:50 pm

Given both the copies, no more vouch copies left now sorry!

Just wondering, is this just going over thrifting and resale stores like platos closet? Because I wouldn't wanna drop money on a method I already know

Got a vouch copy before.

It's simple, but sadly I can't tell for sure if it's working since I have never tried it. It has however a lot of potential.

Good luck!

Thank you for the vouch bro, I would recommend you to try it sometime it works very good here in India. I can get clothes at even less than half price of the actual prices :)

Rangers. - April 29, 2017, 10:41 am

Got a copy of mine.

TBH this is a black hat method. This doesn't works on all local shop but only few. I have personally tired this too. Its worth but too risky.

Good luck with sales!

That's not blackhat not even risky I have tried it here in big stores such as pantaloons and works very good.

radicalxfrosty - April 30, 2017, 7:34 am

Is it blackhat or whitehat?

Thank you so much bro.

Still selling, Lowered the price.

Appelmouse - May 1, 2017, 12:06 pm

Will this only work in India or does it also work in Europe? Also are there any other investments required other than buying the ebook?

This will work in Europe, no investment is required since I have mentioned you will get it at "cheap" rates so you must pay some money not free.

kookur - May 5, 2017, 10:00 pm

Still selling this, Price is lowered.
