yeah he most likely was going to try and scam you  
good thing you didn't go first.  
only use a MM when dealing with anybody too.  
If they don't wanna use a MM then it's most likely a scam

It might be considered flaming but anyone can give you rep without any reason and it's not against the rules.

**Healasuk** - April 29, 2017, 3:35 am

Just ignore it man, doesn't really matter unless he calls you a scammer without proof.

**Ibahesj** - April 29, 2017, 3:39 am

Are you creating a thread because you got a neutral rep?

This is the most awkward thing I've seen lol.

**Jumpout** - April 29, 2017, 3:41 am

i have 2 old men who -3 and -4d me for no reason but I'm not making threads about it grow up its a neutral rep...

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

^ You know, that thing that you should have at least glanced over when you joined the forum.

Just gonna say, don't make threads about rep. Nerds will -3 you for complaining and I doubt anything will be done to be honest.

There's a few reps I would like to get removed but I don't think staff do that anymore. (not sure).
