I usually don't watch any shows, just movies.
But this does look pretty good.

Yes I love this show. I've been to one of their live performances once as well, quite funny.

Seen it a couple of times on the Internet...it's mildly entertaining.

Its decent, I used to binge watch on occasion. Funny but I haven't seen it in forever

It's one of those shows that I will watch if nothing is on but I don't make time to sit down and watch it.
