As the title states~If one morning, you woke up in an anime as a normal person in that anime, which anime would you choose? (You'll be there for a year)

Raid7 - April 30, 2017, 3:59 pm

In digimon for sure, or angel beats :3

If we would not know that we would be there 1 year, why you then you telling this, this makes no sense.

Weebex - April 30, 2017, 4:00 pm

There's so many, so I would choose Ansatsu Kyoushitsu, cause training every day in attempt to kill your teacher would be interesting.

Zenomhunter - April 30, 2017, 4:04 pm

SAO would be fucking beasttttt also danmachi or grimgar

Agramon - April 30, 2017, 4:13 pm

Would you be the main character? Would you have his powers and knowledge combined into yours, or would you only have the knowledge you possess right now?

If the answer is yes, (you are the main character), and yes (your powers and knowledge combined) I would want wake up in Overlord.

Deany - April 30, 2017, 4:15 pm

In Boku no Pico bc I'm a gay lil boi

Reckonz42 - April 30, 2017, 5:10 pm

I would definitely choose on of the gaming anime's like SAO or Danmachi or Accel World :)) hella fun. If I was feeling a little risk taking I'd totally go for rezero

You would be just an extra scrub in that world. Say you were in pokemon, you wouldn't be Ash but rather one of the hundreds of random trainers in the show :P

Aka a no named person

g?th - April 30, 2017, 6:25 pm

SAO, Death Note, or Sukitte li Na Yo.

SIM-2223238 - April 30, 2017, 6:25 pm

Lucifer's Inferno - April 30, 2017, 6:25 pm

Sword Art Online, I have a dupe in game brother..

M?xim - April 30, 2017, 6:26 pm

I would rather not wake up at all then.

grady - April 30, 2017, 6:26 pm

As in, we're the main character, or we're just a random in the universe?

edit: oh normal person

ok probably SAO/Grimgar

Rewatched it a couple times, one of my personal favourites too.

Storywise and shit, I'm pretty sure this would be the most interesting.

I ain't gonna hop on the SAO bandwagon just to get murdered.
Much better to have a rifle in some weird world.

F?cqle?? - April 30, 2017, 6:30 pm

Sword Art Online because I can't think of anything more fun than playing in a virtual world. I'm dying for someone to create that tech.

Ethereum - April 30, 2017, 8:15 pm

Sword Art Online. I would just farm for money and pay to fuck bitches.

Hopefully there is some herb or something that's not mentioned in the anime, 'cause I gotta be fucked up.

Brill - April 30, 2017, 8:18 pm

Lor?d - April 30, 2017, 8:18 pm

1. SAO
2. InuYasha
3. Mirai Nikki

Yui-Senpai - May 1, 2017, 5:51 am

Fairy Tail for sure or Naruto just because nearly anyone can learn skills and life after death.

Tohka - May 1, 2017, 5:53 am

Re-read the post. You'll be there for one year and you'd know this. I fixed my mistake not long after the post was made :P

?? - May 1, 2017, 10:26 pm

Oreimo, because im not a panzy, and would destroy that pussy.

Or maybe samuraiX/Samurai Champloo... it would be pretty interesting being able to basically kill anyone I want.

trafalgarlaw - May 2, 2017, 4:12 am

I would've liked to wake up in One Piece a few years ago; for the adventure and personality of the characters.

10x - May 2, 2017, 4:14 am

One Peice, want to see what "haki and devil fruits in real life" loooool.

John233 - *May 2, 2017, 1:24 pm*
