Thread: [\(FREE\) LOKI BOT SETUP GUIDE - PDF FILE](#)

Mathen4u - April 30, 2017, 9:18 pm

I had created a PDF file to provide step by step assistance for installing LOKI with images.

DOWNLOAD - <https://www.sendspace.com/file/anr6dc>

PM me for Pass

VirusTotal Scan -

<https://www.virustotal.com/en/file/be3e14ce75e7751827d318cb424eddce500ce95908938d6d8c84df7ca011a4fc/analysis/1493616764/>

_Valor - April 30, 2017, 9:41 pm

DOWNLOAD WITH CAUTION

OP is not a trusted user, he has very little posts, and it's easy to put your executable payload in pdf format. probably trying to infect.

Mathen4u - April 30, 2017, 10:31 pm

Young Sosa - May 1, 2017, 4:53 am

DWC, -1 rep I would not trust him if I was in you.

?now - May 1, 2017, 4:55 am

I would suggest uploading this to google docs OP you dont seem very trusted

(May 1, 2017 04:53 AM)Ganjalf Wrote: [\[CITE\]](#) DWC, -1 rep I would not trust him if I was in you. lol? pdf exploits target specific readers like Acrobat, just view the shit in the browser.

Also, public pdf exploits are detected as fuck.

NO NEED TO NEG HIM SIR

Devils Lettuce - May 1, 2017, 11:12 am

Post it in google docs dude

longdusboub - May 2, 2017, 2:26 pm

thanks you for this words and this good way of thinking , people are too rude for nothing :/

noodlerman - May 2, 2017, 7:49 pm

hi im interested in trying but cant pm can you pm me please?

Rock-alber - May 5, 2017, 3:01 am

thanks man i appreciate for that ,
highfive

Thanks bro

Marriot170 - May 5, 2017, 9:35 am

LOKI meaning PHP rat or the resident loader/Pass stealer ?

?Anarch - May 5, 2017, 12:14 pm

I would not trust this at all
