Thread: [Single Biggest Paypal Payment](#)

Ben Affleck - May 1, 2017, 3:37 pm

Thread deleted due to multiple people trying to get me banned.

I'd like to thank everyone out there who tries to better themselves instead of trying to put others down.

As I said, my first and last post in bragging rights.

Press the Button - May 1, 2017, 3:38 pm

Holy cow! Never seen a paypal payment this big.
Congrats :P

Kaleb™ - May 1, 2017, 3:39 pm

rep destroyer - May 1, 2017, 3:39 pm

Reinvesting most of it into projects I have in mind. I'll probably buy 1 pair of new pants, some black tshirts, rent and the rest will go into my BA.

?ictor? - May 1, 2017, 3:42 pm

Oh damn! Never seen Paypal amounts like those.

DenizZ - May 1, 2017, 3:43 pm

IzzyJohnson - May 1, 2017, 3:47 pm

Hey look inspect element! Naw but seriously thats crazy! Hopefully they dont charge back :/ or was it like a payment from something rather than someone? (Like earnings?)

Mon£y - May 1, 2017, 5:01 pm

How the hell did you trust PayPal to receive such an amount?

I could never allow those greedy bastards to have their hands on my money again. They still have hundreds 'locked' on my previous account.

Keep up the good work though. ?

MythicalPro - May 1, 2017, 5:03 pm

Damn thats insane mind saying what it was from?.

Acel - May 1, 2017, 6:22 pm

LeonBackward - May 2, 2017, 1:01 am

UsernameWasTaken - May 3, 2017, 11:59 am

Did not expect to see such a large number... interested in how you did this

Appelmouse - May 3, 2017, 12:00 pm

Nice earnings OP! How did you earn it if I may ask?

Tygra - May 3, 2017, 12:01 pm

Good job man. Tell me what do you go to buy with this money :D

ZooXoo - May 3, 2017, 12:03 pm

In the first place you have some balls to keep all that money balanced in PayPal.

okujaK - May 4, 2017, 4:36 pm

When you're verified, you don't have to worry about those sorts of things.

Mr. Robot - May 4, 2017, 4:55 pm

Why are people saying he will get limited? Paypal is MADE for large transactions.

It's funny because you think I kept 13 grand in my paypal.

Do you;

A] Recieve 13 grand + 600 and keep it in your paypal so you can show it to some "scorpi0n kid" on Hackforums.

or

B] Recieve 13 grand + 600 (biggest payment), take a quick screenshot and then proceed to send it directly to your bank account.

Even if I did still have it, I wouldn't do it anyway..why? Just to piss you off. You're burning inside and it's hilarious.

HAHAHAHA! You can't think of 5 ways to advertise on Hackforums, you really are dull and definitely not business minded. Maybe you should get a 9-5 at a fast food joint. I don't know anyone who can hook you up but i'm sure if you beg and tell them you have 1000 reputation on hackforums they'll give you a chance.

I don't want to fight with you bro, but just a gif of you refreshing the payment so we can see its not edited.

I want to tell you good job, but you have to admit its hard to believe.

Maybe you should get a 9-5 at a fast food joint. I don't know anyone who can hook you up but i'm sure if you beg and tell them you have 1000 reputation on hackforums they'll give you a chance.

What gifs? I've told you multiple times, I want you to feel that burn. You want to see something you can't see and it's going to stay that way. If you want to see 5 digits in a paypal stop failing at putting people down and do some work.

I've got about 20 minutes before I have to talk to paypal about another big payment coming through so let him do his thing DT jr.

i said YOU can't think of 5 ways, and you just proved you couldn't by not naming any.

post the gif lmfao

I'd love to but it's funny to see him kick and cry about a gif. I can't. I'd send it to you personally but I know you'd send it to him.

Sorry, not going to happen.

The earnings in my OP have no correlation to the current E-book I'm selling.
Seems invalid to you? Fine by me lol.

Jeez, You post fake proof to boost your ego? I genuinely feel bad for you.

It take less than 30 seconds to create a gif if you're a competent individual.

Screenshot doesn't show shit.

ECSPECTO ELEMENTO

Oh my bad, thought this was some kind of magic trick out of a harry potter movie.

Congrats if real.

Frankey - May 5, 2017, 12:34 pm

Pretty sad that this so called "Biggest PayPal Payment" is probably fake.

Go to: <https://gyazo.com>

Download their GIF Tool and record it while you refresh the page. You can send it to me in private if you want? Or you can just post it here ;-) You already posted the (probably fake) picture.

Btw, you can also fake the GIF. Just try it, it's not that hard :D

Pathetic.

I really don't understand the harm in posting a refresh gif.. All of this could have been avoided if done, that just shows it's fake lol.

Indeed, he still hasn't spent 20 seconds of his time to post that GIF.
