Would you rather be famous or Financially stable and afford majority of what you want?

SIM-403479 - May 2, 2017, 1:36 pm

Depends what kind of famous because you would be more than financially stable if you was famous.

coolkoolguy - May 2, 2017, 1:38 pm

Fame as in kardashian fame. Something around that. Remember the negatives too of being famous.

Tralen - May 2, 2017, 1:44 pm

Finance all the way. Could give 2 shits what other people think of me, but I got enough money to do anything I want, happiness ensues.

G*59 - May 2, 2017, 1:48 pm

Financially stable for sure, I don't want nor like being in the spotlight in any way. I'd prefer to make money and keep to myself then have a bunch of people in my business 24/7.

ZerFallen - May 2, 2017, 1:51 pm

Why the hell would I want fame? Give my financial stability and let me live in the woods, thanks.

Juan The Young Chef Don - May 2, 2017, 1:54 pm

Financial stability pls, With financial stability can come fame with enough money :)

coolkoolguy - May 2, 2017, 1:57 pm

Cool. That is true. With money comes fame. Look at Bill Gates.

Riley - May 2, 2017, 2:02 pm

Fame.

If I was as 'Kardashian' famous, one social media promotion and I could buy anything I'd like for an entire month.

Smexi - May 2, 2017, 2:14 pm

Fame could come in sorts of different of ways and in many different amounts of time. In a majority of cases I see it more probable to have sound finances.

Industry - May 2, 2017, 2:21 pm

Obviously the money. Who wants to be known as the most popular broke person in social media today?

?ictor? - May 2, 2017, 2:22 pm

Depends on the "fame" you're talking about, but financial stability would obviously be better if my "fame" was temporary or not strong,

Amnewom - May 2, 2017, 2:23 pm

Fame has a good amount of cons, so financially stable. There are some famous people who regret being famous, so no thank you.

Cute - May 2, 2017, 2:28 pm

I would go with financially stable.

Don't need fame tbh, could care less what people think about me.

Hi Roller - May 2, 2017, 2:50 pm

Well if I was famous like a celebrity I'd probably be able to make hella \$.

But I'd choose being rich over being famous.

DenizZ - May 2, 2017, 3:15 pm

Give me those billions and I will make myself famous.

Hapi - May 2, 2017, 3:22 pm

What happens if you become famous for fucking a dog on live TV? Got to take the money, I think.

SophiaL112 - May 2, 2017, 3:40 pm

Finance would be my preference versus fame. You can lead a lazy life

Jumpout - May 2, 2017, 3:41 pm

you can do anything famous ppl can do if your rich so rich

OneEightSeven - May 2, 2017, 3:42 pm

I rather have fortune over fame any day lol
