Thread: [\[Advanced\] SQL Injection Tutorial \[HQ\]](#)

**Stuck** - May 4, 2017, 3:42 am

Hey guys just thought I would give you guys this ebook that I have compiled information and put it into this book. There was a lot of editing I had to do so please enjoy it.

[Download](#)

It goes through multiple methods of doing a sql injection such as JSON, Cookies, Using the browser, giving you some dorks, and some simple commands for an automated tool called sqlmap.

**Stuck** - May 7, 2017, 4:14 pm

bump

I know people were viewing this but aren't posting

**Asp1r3-At0m** - May 8, 2017, 1:28 am

Some virustotal for the file would be cool, anyway, i checked the pdf and looks nice.

**Stuck** - May 10, 2017, 9:25 pm

Lol, I don't infect people, but yea okay

<https://www.virustotal.com/en/file/d6db330a5603ca18d83f5cfdada418a21e5fc952ccc4727841d8111e4910501/analysis/>

**mlokoboy** - August 29, 2017, 6:02 am

tnx to you for tutorial :)

**sasatefa2009** - August 29, 2017, 11:04 pm

thanks brother, i'm learning sql injection and this surely will help me

**shosk** - September 5, 2017, 3:00 am

tnx to you for this ebook tutorial :) :)

**R1k0** - September 7, 2017, 10:47 pm

Thank you man i really appreciate that

**teampoison** - September 8, 2017, 7:43 pm

thanks for this tutorial Its look cool

**Stuck** - October 7, 2017, 1:28 am

np guys, just trying to help the community.

**yukrix** - October 8, 2017, 1:58 pm

ty for the help, ill take a look

**samsunggon** - October 12, 2017, 1:14 am

thank you for this tutorials:D

**Gardener Jim** - October 12, 2017, 10:45 pm

Instead of using "group\_concat" and "limit 0,1" why not just use "DIOS" instead?

**miradesi** - October 18, 2017, 1:14 pm

Thanks for posting this tutorial.

**catroIm** - December 3, 2017, 6:02 pm

I love this! Thanks allot bro!

**Snooptrain** - December 3, 2017, 6:05 pm

Thanks for this. Really helps alot tbh

Create more of these please!

**shiko5000** - April 22, 2018, 7:35 am

Thank you for the Tutorial

**pms** - April 23, 2018, 6:51 am

Guess i will read this, thank you.

It goes through multiple methods of doing a sql injection such as JSON, Cookies, Using the browser, giving you some dorks, and some simple commands for an automated tool called sqlmap. Just took a look at this eBook. So far i really love it! Nice work man. Will definitely try this method. Previously i used some other method but this one seems easier and better.

Good job. Keep it up boi!

**scrubjay** - April 24, 2018, 7:29 am

It's a good tutorial, but it's not really advanced. It's pretty basic.

**Originalkillit** - April 24, 2018, 7:45 am

Its not the end its your beginning

Waiting for some more books? ? ? ? with detailed explanation by taking some websites(created by u for free for testing purpose)

but appreciate you for this help buddy

keep it goooooooooooooing ?

**Dano2fly** - June 23, 2019, 4:28 pm

Nice, it's worth a look !

**RedZgred** - June 26, 2019, 5:41 am

Thanks man, was looking for something like this:)

**Ale9000** - July 8, 2019, 1:54 am

very nice book... have a good day ?

**Rayahn\_94** - *July 12, 2019, 8:21 am*  
thx for this great sharing mate
