Oh yeah, forgot this anime, I feel like Takamura is the main character though. Every season he always get the intense fight and badass moments.

Naw he's far from it, he's somewhat a mix of role model, comedic relief, and op.

Yawara: A fashionable Judo Girl!

and don't forget initial D if you count racing and eurobeat music as a sport.

Yowamushi Pedal

Shijou Saikyou no Deshi Kenichi (anime about fights and btw is really nice)

Yuri On Ice (even tough i don't like yaoi or shoujo kinds of anime, but as far as i have seen this is good) (won lots of prizes on crunchyroll awards for the best anime last year)
