I paid chax for his services, his services has bumped my 10 year old print shop business higher with keywords that were already established,

If this is a scam, then i wouldnt be able to look at our charts rising up on spyfu

He isnt a scam, and if so, prove what scam he is doing

He is offering SEO shit that works in a competitive fucking field, fucking seo shit cost big bucks... his method works.

no spell check, not correcting any words
