Just so you know: There is a huge white space on the bottom, since its my first time using Photoshop I didnt know how to remove it.

Just edit the template and once youre done crop the white part on the bottom lol

Please, dont remove my credit at the bottom

Looks very clean, I like it. ?

ZachLSX - May 6, 2017, 8:19 am

I like it. Especially the way you changed the buy now button to blue to recommend them to buy the expensive bundle haha.

Good work op!

Pretty cool man, I can't even make threads this nice but yet again I mainly stick to headers and shit haha

calaxamotooo - May 28, 2017, 4:58 am

Very clean, nice work man :)
