Disclaimer: This review originates from the vouch copy, that the original poster sent me, of his/her electronic-book.

This is an honest review. I am not biased towards the original poster nor am I biased to say anything against him.

Structure & design [4/10]

The structure of the e-book was completely O.K.

I would not necessarily say that the design impressed me due to its simplicity and the off-putting color-coding but it was not in the way.

Language [6/10]

There was not a language barrier, that was preventing me from understanding the content and the message of the e-book.

I would not say that the user's vocabulary varied too much throughout the e-book, but it doesn't matter too much when taking my above argument into consideration; you get the message.

Originality [1/10]

This method is very public and it involves 1/2 black-hat method(s). I have seen this method many times before and my latest vouch copy even had this method included.

It is not necessarily against the law (I could be wrong, but I am basing this from what I know), however it could result in yourself getting restricted on a major payment platform.

Overall [3/10]

There is nothing to mention that has not been mentioned already. The only thing that is holding this 3/10 rating together is the first two points of my review.

If you have been around and if you have purchased a couple, similar eBooks to this one then you should be fairly certain of what the method involves.

???Berlin??? - May 6, 2017, 11:15 am

i will take a vouch copy

thanks

PMED you

ScorpionOfWar - May 6, 2017, 1:29 pm

I would love to take a vouch copy :) I could write a nice review

pankaj.im3a - May 6, 2017, 1:41 pm

i would like a vouch copy and will post fair review about the ebook and the methods

xFeng - May 6, 2017, 6:49 pm

I guess i'll be the last vouch copy taker if there are any left OP

EDIT: Can't say much its a short ebook with 2 methods with possibility of blackhat otherwise glws
op

John Mon - May 7, 2017, 1:25 am

Am i still in line for a Vouch Copy?

ScorpionOfWar - May 7, 2017, 1:27 am

There is not much to say about the ebook. Its really short

There are two methods in this ebook and both are public in my opinion.
They could get you in trouble and are not really worth it.

memehack - May 8, 2017, 12:33 pm

tsill selling

memehack - May 25, 2017, 11:00 am

still selling :DD

NA Riven - May 25, 2017, 11:03 am

I see on your thread that there are still 5 vouch copies left. I'll take one if you deem me trust worthy
:3

YEAH WHAT HE SAID

Why would you even put effort into a thread design for this?

Might as well have made the 'ebook' a .txt file that says "CHARGEBACK" in big font.

It absolutely IS against the law and just about everyone that has ever used paypal for anything knows exactly how to do it already.

memehack - *October 24, 2017, 12:57 am*

still working hit me up

asamed - *October 24, 2017, 2:19 pm*

I would love to take a vouch copy :) Thanks

istoc2012 - *October 24, 2017, 2:58 pm*

Can I have a vouch copy? I will let here a very detailed and transparent review

memehack - *December 15, 2017, 1:02 pm*

no thanks
