It looks like you too an already nice image with a filter/action applied to it. I don't really know what you want us to say.

?ictor? - May 6, 2017, 2:30 pm

It's actually pretty nice, including the original picture.

Coton Pker - May 6, 2017, 3:05 pm

if you have the PSD still, just slam the loop button and re-upload it.
then edit the post lol.

but it looks alright, kinda painful to look at for an extended period.
