Send as family and friends in USD and reply with your BTC wallet
Sent, my BTC address is:

Hello?

Sending you BTC as soon as I come home, thank you! :)

I got the money
Can you please reply? I see you online..
It's now almost 24 hrs and even if you read my PM's, you don't reply.
I doubt you're scamming me but please react.

There were an error from his side, we agreed to the point that I chargeback to get my money back.
Solved.

I already explained it was problem on my end, lost \$160 in total, but it's okay.

I told him to chargeback so this has been resolved. :)
