Thread: [Rattie's - Old School Runescape Services \(Training, Questing, Fire capes and more!\)](#)

RollingGotMe - May 7, 2017, 9:20 am

Hello and welcome to my new Runescape services thread!

I am opening this service to you all, as I have had a lot of free time open up to me recently and I'd like to spend it doing the things I am best at - Runescape. I have over 10 years of experience within Runescape, completing each quest, training each skill, killing each boss and playing on all types of different accounts. I am to provide you with fast, reliable and most importantly, CHEAP, Runescape services.

My promises whilst providing a service on your account: To keep to strict timescales that we discuss

To provide your service in the most efficient way
To keep you updated throughout the services provided
To ensure all of my services are done by hand: 100%

The services I will provide: Combat Training
Skill Training
Fire Capes
Nightmare Zone
Questing
Pet grinding (I will keep all profits other than pet)
ANYTHING you may need me to do

Pricing Structure:

My prices all depend on the timescale we agree on, the amount of work that needs to be done and training methods/completion methods. This is something we will be able to talk about via Private Messaging/Skype.

Once we have agreed on pricing, I will require full payment in advance. I will keep you updated with the service and if the service is not completed in the timescale we have agreed upon I will issue you with a 100% no argument refund.

I will accept PayPal from trusted members only
All other payments must come in the form of OSRS GP
Contact

To contact me, simply send me a private message with what services you require and your skype address. I will add you as soon as I am online

How much for rune defender (no tokens) and fighter torso

Wompus - June 3, 2017, 1:48 am

If you're still willing to do vouches I'd be happy if you provided your services to me and I'll leave an honest and unbiased review.

Where are you starting from on the defender list? From scratch?

Unfortunately my vouches are off, I have done services for a few members already who will be able to give positive reviews about my services. The amount of time it takes to do these tasks, simply for vouches renders it quite difficult.

I'll be happy to offer a few discounts though

itsMeCherry - June 3, 2017, 5:48 am

Yes from scratch. How much
