You can buy a level 30 acc for less than \$10 ?

Brook - May 9, 2017, 5:35 am

Yeah the point was to get it for free. Not so long ago I saw people give some for free :Dgot banned for writing "?" to enemy team lmao

Im thinking scripiter? As you say haha

Brook - May 9, 2017, 7:48 am

No, It was because of toxic in game lol
