Thread: [\[NEW\] NARCO'S SEASON 1, 2 & Now The NEW Season 3.](#)

RepForums - May 10, 2017, 5:36 am

Just got finished watching narcos season 2, and the people that made this have some talent picking the areas to film and actors to play the main roles & all way down to random people, its probly 1 of best programs ive watched, as i dont get addicted to many things on t.v because i find more of it cringe and hard to watch, but narcos have made it seem real and just pulled it off so good!, PABLO IS DEAD, how can there be a season 3?, BUT THERE IS GOING TO BE , LOOK AT THE TRAILER

-
<https://www.youtube.com/watch?v=rtFGHCYpH3s> ? , what do you guys think of the narcos seasons?

You just got me so excited, I thought you meant a new season came out. Netflix have been bringing on some amazing directors along with Narcos, imo these are the best shows they have made;

House of Cards
Sense8
The last kingdom

OMG - why didnt i see this, if this is real and not just a spin off, im a happy man today, i cant believe after pablo was shot and killed in season 2 there might be a 3r, lol [EPIC] ?

EDIT - just watched the trailer, and seems to be true, this is going to be f'ing dope! or it will be a failed attempted to carry something good on and end up spoiling it, i hope its not that and its even better! ?
