Anime night will be Saturday May 13th at 8PM EDT (New York time)

I'm gonna leave this up for 24 hours so people that plan on attending can suggest a show/movie they want to watch then I'll make a poll tomorrow so everyone can vote!

~Already watch: Kimi no na Wa, and Grimoire of Zero

Fuck, won't be able to make it to this one. Haven't made it to any of them yet. Hopefully another comes along soon so I can enjoy some anime with my fellow weeb.

Good luck with this one, really fun for the community.

I've been wanting to watch that, I'll for sure add that to the list

Black Hole - May 11, 2017, 6:13 pm

Also, latest ep of Grimoire of Zero came out.

DerMensch24 - May 11, 2017, 6:59 pm

Can't make it unfortunately due to work, but hope you guys have fun ;) I don't think I've been to one of you're movie nights Esdese since when we watched the Psycho-Pass movie with Viper

Campione?

Idk if we should watch something that's already aired or is still airing.

BUSOU SHOUJO MACHIAVELLIANISM is a good anime that's still airing.

I thought it was good and cute and kinda edgy at first....the last few episodes have left me kinda wanting though. Still a funny watch. Good choice.

Yeah first episode was amazing. Love anime where the MC has like a background and shows up and whoops ass.
