Thread: [Scammed \\$110 by Mountain Dew \(2284855\)](#)

DOG - May 11, 2017, 7:04 pm

User Profile: [The user Mountain Dew](#)

Amount Disputed: 110\$

Then put a description of what happened here:

I'll do this short,

Basically I need to pay 110\$ to Romania for his HW service so I asked a Mountain Dew to exchange me PP to BTC. We have a deal for 110\$ pp , Romania will receive 100\$ btc.

So I Sent 110\$ and Mountain Dew didn't send the money neither told me when he will send to me (I mean to Romania).

It's been already more than 5hours without any info !

I didn't want to open a deal dispute and I would love to close and resolve it but it's all in hand of Mountain Dew. (Men it's only 100\$ -_-) If it's resolved and if I dont get an answer I'll charge back on paypal :s

Put proof here: <https://gyazo.com/38d34be7800768f580ebe24b297cd056>

That's it !!! And I hope everything will be resolved :)

User might be on a scamming spree. He posted on the other dd saying that this is being taken care of but I guess that was just for looks. Sorry about this OP

Yup. OP messaged Mountain Dew and told him he will be opening a dispute soon, Mountain Dew replied and told him "Don't listen to Romania he is just trying to ruin my rep". What a loser, I don't know the kid.

Hope we all get this resolved, OP.

This dude is the biggest scum bag on the planet. Acts all sorry and willing in another thread and then when everyone believes him he goes in for the kill.

Amp - May 12, 2017, 12:53 pm

Just file a chargeback, he's obviously scamming out.

Yeah except the dumbass tried taking PP which is easily charged-back.

He'll probably just transfer the money, and his account will go negative.

I honestly doubt he'll resolve this, someone else just posted on the other thread.

That closed member "queen of hearts" warned everyone but no one including me took him serious with his community alert. This is sad. Hopefully you win the chargeback OP.

DOG - May 12, 2017, 7:22 pm

Will give him one more day then I'll charge back.
