FRST - <https://pastebin.com/r9LV7WmC>

Addition - <https://pastebin.com/3TyyvWcU>

Adware and recently I was in a text box and all of a sudden, the words testtesttesttest came up and I just got spooked lmfao.

Thanks for anyone helping!

Do you recognize this?

C:\Program Files\Everything\Everything.exe

C:\Program Files\Everything\Everything.exe

That's probably the cause of everything

Then you are clean, FRST found no malware.

If you want to be 105% sure, you can download and run roguekiller:
