Alright boys here are the options, as a reminder this will start TOMORROW MAY 13th AT 8:00 PM EDT (NEW YORK TIME)

I ask that you please vote only if you plan on attending, otherwise we will end up with a show the people who actually showed up, will not want to watch.

vouch for this

At least he said which one so I'll just disregard the vote if it stays 3 way tie

All of the options seem cool, so either way, I'll be showing up like I do to every movie night.

Hope to see everyone there!

The options on this poll are great. I can't wait to see what everyone will pick

If it remains a tie, I will do another vote for those who are in the chat room before we start so people that actually showed up can choose what we watch
