Sold him \$500 BTC on Nov 2, 2016 and he files a unauthorized charge back today (7 months later) which is ridiculous.

He was reading the thread just now. Hopefully this gets resolved.

Wow thats strait up savage. Interesting way to exit scam. Sorry to hear about this op there's really nothing you can do.

I do thousands of dollars worth of exchanges here every month.

And regardless, I am going to win the dispute lol.

I run a PayPal dispute winning service lol.

Got any experience with PP CB's? "Unauthorized claim" isn't too hard to win. If it was "Unauthorized chargeback", then it's RIP

Banadmin - May 16, 2017, 8:26 am

Damn! Hope you get this solved @Cryptic. Pure shame he's charging back now after 7 months.

Cryptic™ - May 16, 2017, 8:27 am

(May 16, 2017 08:25 AM)Currency Wrote: [\[CITE\]](#) The point is not to get charge back in the first place and not fight a charge back. ?

meh.

I've done hundreds of deals between november and now, and during that time frame I've only had 2 charge backs.

This one, which is clearly an exit scam, and another one which was resolved.

<https://hackforums.net/showthread.php?tid=5540972>

When you do deals on HF stuff like this is inevitable.

I don't care if their questionable lol.

If their PayPal account meets the requirements of my method I'll do a deal with them because I'm guaranteed to win if anything happens.

I'm on the phone waiting for a PayPal agent right now. Should have this resolved within 72 hours.

You contacted him, exchange was made, now you're trying to take it back.

I have other private methods not in the ebook that I use when people hire me to win their disputes. I would've loved this few months back when I wasn't perma limited.

however, I want to point out something: your methods MAY work because:

1. You do a lot of transactions for high amounts on a daily basis through PayPal.
2. Your PayPal may be OLD, 5+ years.

These things really give you a big plus in disputes. But I don't neglect your methods I might buy it just for the knowledge and maybe make a review about it LOL.

I usually charge 15-20% depending on the amount. I don't get involved unless its a large amount.

My cut has to be worthwhile for me, at least \$50-\$100
