DenizZ - May 16, 2017, 5:07 pm

Just thought I'd add some information here.

Here is the correct user profile.

As for McLovin - he has previous deal disputes, thus you should have known he can't be trusted.

As for him blaming me, I am not sure why he decided to use me as an excuse to lie. I've never dealt with McLovin. He also seems to have added me to his ignore list, knowing that I would try and contact him about this.

Sorry for your loss OP.

you dealt with him 5/7 he had scam reports open 5/5

I also made the mistake of dealing with a high amount when I first joined HF and did not know how to navigate the site easily.

Lost \$700. I know how you feel, it's partly your fault for your not checking, however assholes will always try to take advantage of new users. Take this as a lesson.

I hope his account gets banned after this report. About time.

Allay0x3 - May 17, 2017, 2:15 am

He has infinite numbers of scam report and still has his thread open and selling :/ should be banned.

Ultra Instinct - May 18, 2017, 4:42 pm

Why didn't you use a MM? Anyways, sorry for your lost bud. Next time, check trust scan before dealing.

ßj?cksí-í?d?w™ - May 18, 2017, 9:11 pm

OP you should fix the Profile link in your DD and accused already changed his profile name twice thinking he will hide himself from the community . Sorry for your loss ?

Cheese Doober - May 18, 2017, 10:02 pm
