No, but they have games, hours, steam level, even comments on profile + ingame-online 24/7 that's why it's so cheap :)

Vouch for zoneR, recieved 1k steam group members in the first 2 hours of purchasing.

Selfpwned - June 3, 2018, 2:06 pm

Why do you have this picture in your thread with 278k Member and the text "Do You Want To Make Group Like This One?" when you can just offer 2k member?

When do you think you can offer 50k?
