Thread: [Issue adding image to signature.](#)

Leroy Jethro Gibbs - May 18, 2017, 9:47 pm

I keep trying to change my signature image but it keeps saying "Signature image doesn't exist."

Can anyone test it and see if you get the same issue? Or maybe reupload it for me?

[img=650x200]

The thing that omni has that checks the file dimensions might be down.

Code [img=650x200]<https://i.imgur.com/qjDaVBA.gif>[/img]

Boom. That fixed. It. Thanks!
