My friend DevNet sold it for 5.2k.

**Stoke** - May 19, 2017, 9:04 am

You're bringing it back?

Nice.

Is Skype still a requirement? If you moved over to Discord instead I'm interested.

I honestly thought DevNet would make Genesis into something great, I am sad to see he is letting it go.

Good luck with this group though.

**Trappy** - May 19, 2017, 9:52 am

Aww this is sick lots of gaming time coming up in summer!!

**Mac** - May 19, 2017, 9:58 am

I'm surprised a group sold, even more it was DevNet's.

Best of luck with SheepGang. If you want to do events against Skill in the future e.g tournaments that'd be cool. ?

I don't want to have anything to do with Raptor's group.

About time! The sheeps are back.

**Daddy????????????** - May 19, 2017, 10:04 am

Fuck, now I have to find my old signature for the group.

EDIT: Found it :)

Oh yeah and don't forget about this

**Wirt** - May 19, 2017, 10:16 am

I still don't know why Genesis sold. It just seemed like the owner was lazy and didn't want much to do with it or didn't have the time to put into it. I was looking forward to Genesis

**BBSimmons** - May 19, 2017, 11:00 am

I would love to join the group

**Mojo™** - May 19, 2017, 12:43 pm

Whenever I was the leader of this group before I couldn't even get 10 people together for a game of CS... Hopefully people join to play games instead of just for the user bar this time around. Good luck!

Trash-talking is a part of gaming, if you take it to heart then you can get out.

Then why come post on our threads? ?  
If you come on my thread and insult a member from my group, then that shows something else mate.  
Let's stop it here, stop posting on my group's threads like I promised Raptor I won't have anything to do with your group.

**Stashyy** - May 19, 2017, 5:29 pm

Damn sheep gang is brought back from the dead.  
Happy to see it back.

**Raptor.** - May 19, 2017, 5:33 pm

Moving forward, can we just try to keep drama to a minimum between the two groups? We saw the road that went down last time with Instinct v Skill which had so much potential for gaming on HF but descended into a shitfest.

**Kaleb™** - May 19, 2017, 5:35 pm

How exactly do people get into the group? Since there isn't a recruitment thread. Would I've to join this group if I get the chance.

I don't want no drama either but it's just a funny picture, if you get offended by it then I don't think that SheepGang could game vs Skill. It's a part of gaming.

There's a difference between trash-talking and being disrespectful.

Best of luck with Sheepgang, hope to see you guys do well and game on!
