Thread: [12 Spreading Methods](#)

YayHar - May 19, 2017, 8:25 pm

Giving away 12 handcrafted Spreading Methods.

You can literally get 100s of bots, this has been verified. Some take more setup than others, but it's worth it.

I was forced to remove my old thread due to IRL issues, no longer can it be public like it was in the past.

Hit me up, and I'll send you all 12 spreading methods.

Spoiler ([Click to View](#))

Those who know my work know I had all of this open and public. If you really want to know why I had to take it down, message me privately.
