Thread: [Dafont.com was HACKED !!!](#)

Motusora - May 19, 2017, 9:36 pm

A hacker has obtained over 685,000 usernames and passwords for the popular free font site and has managed to crack over 98 percent of its passwords.
to those who have an account in dafont.com , you need to change your passwords now .

Out of curiosity, who the fuck would sign up to it anyways?
From my knowledge you could just dl the fonts for free? (w/o acc)

You can register and ask "What font is this".

People usually analyze it pretty damn quick if I recall correctly

Some you need an account. I got the font for my tattoo from here.

Prophett - May 20, 2017, 1:31 pm

This is interesting. I never created an account on there so I'm gucci.

DaUB3R - May 20, 2017, 1:35 pm

Who dafuq uses dafont..

?

People like OP?

People like me?

Heh, good thing I used a temp email and some random ass password on there. Thanks for the share buddy :D

Behave yourself Steve, I'm not the guy.

?

markownikoff - May 21, 2017, 2:42 pm

the database was leaked publicly too

Space• - May 21, 2017, 2:43 pm

Who would sign up anyway, you can download Fonts without an account.

spooky hacker - May 21, 2017, 2:46 pm

AND I HAVE IT HAHAAHAHA IM A MASTER DATABASE COLLECTER

maybe those 685,000 users are just bots ? ?

Mascarade - *May 24, 2017, 6:14 am*

whats point in signing up when you can just dl the fonts for pretty much no cost anyway?
