spooky hacker - May 20, 2017, 6:42 pm

there is no time like backstair book club time

WELCOME hackf orum >:] to the backstairs book club the MOST EXCLUSIVE GROUP ON HACKFORUMS

what r we ? were a group of very sofistated readers of all lanugage who gather up and want to stop world hunger .

this group was purchased for over 10 thousand dollars of crews.ebay.com

there is no time like backstair book club time

but spooky hacker what is the point of this group its not hackeing at all ? if its not hacking then u should say snowden edwards is not the biggest hacker in the world because this is the best hacking. and this group has so much featuers at all lets take a look

features of being in this group

- u will be able to type in HOT LAVA red to make ur sentense even more swag and blaze proof
- u will have BBC next to ur name with r private user group bar on ur name
- u will be able to purchase any books at a 41 percent discount
- u can read for ever with out being blinding
- everyone weill be jealous of u lol

application

1. whats ur favorite book and movie
2. can we trust u in the club house
3. have u ever brought snacks anywhere
4. whats ur favorite book
5. whats the best mark u ever had in english or ur lanugage
- 6 can u speak english
7. r u excluseive
- 8 more to be added stay tuned

keep ur head in the book and ur legs in the sky
