Thread: [Boku no Hero Academia Season 2](#)

Mafty Navue Erin - May 20, 2017, 9:03 pm

I'm kind of surprised nobody has been talking about this yet. The first season hit the world like a storm.

I think this season is really good so far. Probably not as good as the first season hype was, but season 2 is confirmed for 25 episodes and I'm sure this will be the best -- heard from the manga readers this season should be really intense.

Anyone else watching it? I'm absolutely loving these tournament fights right now and all the humor is just topping it off.

Yui-Senpai - May 21, 2017, 6:34 am

I was talking in the discussion thread but it was dead, I am watching it since its best thing out right now.

Cylow - May 21, 2017, 6:36 am

I watched the first few episodes when it dropped in the summer but stopped. Currently rewatching season one.

Yeah, I noticed that this arc is really hype, especially the one with the headbands. I thought they lost 100 percent at the end loool.

Mafty Navue Erin - May 27, 2017, 5:23 pm

Damn, this next episode is going to be so lit.

Harden - May 27, 2017, 9:32 pm

It's pretty good I just stated watching last week caught up but I'm reading the manga and really exciting for the animations coming up!

+Cloud - May 27, 2017, 10:03 pm

ohhhh sheiiit, waiting on mc vs ice guy

mc is totally going to win

Retrotoxic - June 6, 2017, 10:02 pm

Enjoying season 2 as much as season 1. I'm loving the tournament.

Mafty Navue Erin - June 11, 2017, 8:39 am

Damn, that latest episode was actually pretty intense.

Spoiler ([Click to View](#)) I thought Lida was going to beat Todoroki for a second. Also cool to finally see a scene with blood. Next episode is going to be bonkers. I think Bakugo might actually win if Todoroki doesn't hold back.

I know right

Spoiler ([Click to View](#))

Hero killer looks pure savage wonder whats going on with him, also I know who wins the final fight but not gonna say anything ^-^

Ryuuji Takasu - June 13, 2017, 8:36 am

Have finished the first season last week, wont start second until its finished so i can binge the shit out of it.

But I would agree its a good serie I just hope it will stay like that through out the next season.

Mafty Navue Erin - June 17, 2017, 7:54 am

Dang that final match was pretty good.

Spoiler ([Click to View](#)) I'm glad Bakugo won. He's seriously one of the coolest characters. Kind of sucks Todoroki didn't use his flames though. And lol at the very end of the episode with Bakugo. Glad this arc is finally over though.

Siacoin - June 17, 2017, 7:55 am

just watched the last episode i cried bc of the hype

Mafty Navue Erin - June 17, 2017, 3:03 pm

(Jun 17, 2017 08:52 AM)Elliot. Wrote: ([CITE](#)) Just watched the latest episode

Spoiler ([Click to View](#)) Expected Bakugo to win, with Todoroki's father being #2 it would be symbolic for Todoroki to come second too. Not to mention that he was never going to beat Bakugo's quirk with just ice. Wasn't too happy with the way in which Bakugo won, although I expected Todoroki not to use his flames I didn't expect for him to get KO'd and for Bakugo to try attacking him even after that. Wasn't the greatest episode in my opinion, but I think that's because I was subconsciously comparing it to Deku vs Todoroki from an episode or two prior.

Agreed. You have to admit though, that animation is on point.

Yandere - June 18, 2017, 2:12 pm

I've been putting this one off for a bit. Once I finish what I'm currently watching I'll probably finally start it.

Prom?nent - June 19, 2017, 12:57 am

My Hero Academia season 2 is absolutely amazing. I especially enjoy any scene Bakugo is in.

Realizm - June 19, 2017, 1:46 pm

Spoiler ([Click to View](#))

I didn't expect the arena arc to end so abruptly. I'm glad that things went the way they did and we are now onto the next plot... which looks great. I haven't read the manga at all so with this new plot I'm excited to see what's to come. Also, it seems like everyone who possesses One For All is destined to hurt themselves like All Might pushing too hard and now Bakugo pushing too hard. It's like they don't have enough power and force their bodies to break under the stress of demanding more. Which seems like a big weakness for the Quirk if the user is destined to break under its power.

Mafty Navue Erin - July 9, 2017, 3:40 pm

Spoiler ([Click to View](#)) New episode was great. It was cool to see all the students getting assigned a teacher. That moment when Midoriya discovered what he's supposed to do with his power though. It was like a mini transformation and it was so satisfying lol

Radiant Harmony - July 14, 2017, 4:14 am

Spoiler ([Click to View](#)) I started the show on wed and finished season 1 and caught up on season 2 this anime is honestly one of the best I seen in a while. Watching him finally get how to control his power though was so satisfying and the battle between him and shoto?!?! Just pure epic but I feel like fucking up his hand will come back to haunt him in a future episode

Barney - July 14, 2017, 1:53 pm

season 2 is lit, although it is pretty annoying that i had to wait every week to watch it, animes like boku no academia i prefer to binge watch them

TraderJack - July 15, 2017, 2:27 pm

the latest episode is ridiculously mad!

Nyctophilic - July 15, 2017, 3:57 pm

Yes The latest episode was so good omg xD

Kuudere - July 16, 2017, 6:30 am

I'll watch it when it is done, I dislike waiting. No interesting characters in S1 and the plot is so-so though so I'll probably watch it like next year or something

TraderJack - July 16, 2017, 6:35 am

Jesus stain vs ingenium (tenya) is gonna be soooo good

goodnight - July 21, 2017, 12:32 am

Spoiler ([Click to View](#)) Really enjoyed season 1, and I actually like season 2 more because of the character development. Super hyped that Midoriya is starting to understand One for All more. The Stain Arc is going to be great.

cefo - July 22, 2017, 1:33 pm

Damn some character development going on finally.. The cliff hanger was crazy too cant wait for the next ep to drop

avilio91 - July 22, 2017, 5:13 pm

Watching! Bakugos a definite fave.

Tefo - July 22, 2017, 7:31 pm

I'm hyped for next episode man. Finally some character development and dope fights.

trauma - July 22, 2017, 7:49 pm

I'm currently watching this. The fights are just so intense. I love it! Can't wait for the next episode to come out.

Barney - July 23, 2017, 4:04 am

i just wish boku no academia was a lot, and yes i can not let it pile up, so that i can binge watch it

_Ntzer - July 23, 2017, 5:21 pm

That season was intense, can't wait the next one. Hopefully the manga still nice to read.

Chubaca - July 24, 2017, 7:23 pm

Can we just all agree that the third opening of Boku no Hero Academia is just the best one out of all of them. Yes, the first two ones were great, but this one is just so good.

The song lyrics are simple but it fits the anime so well. Good stuff.

FinnIsSexy - July 27, 2017, 7:06 am

I very much enjoy this series, tho I am quite sick of deko always being the underdog, coming third or second. I want to see him kick ass, I want to see him be the best, I know you can't make the main character insane at the start, you have to build up with the character. But we are 30 episodes in, and his only now starting to learn how to use his quirk correctly. c'mon bruh.

UrbanaHacker - July 27, 2017, 7:11 am

I need to watch it its just i've been too lazy to watch and just want to go on forums lol.

Mafty Navue Erin - July 27, 2017, 9:17 pm

Just watched these recent two episodes and wow this season is suddenly getting even better. I still can't get over the excellent animation for this show.

I hear where you coming from but this show is being built up to be a longer anime. So I can Midoriya's building is going rather well. Be he did just hit a huge milestone, and he bound to only

keep getting better now.

Yup exactly. This show is going to be the next big thing in this generation. If you read the manga you would be able to see how much he progresses.

I love this show, I just hope they end the second season off well so they don't lose viewers for the 3rd season.

The show is going to get really good would hate to see people stop watching it before it gets real good!

Ympker - July 29, 2017, 2:29 am

Enjoying the show really much right now :)

Mafty Navue Erin - July 29, 2017, 9:36 pm

Newest episode was probably one of the best yet. Everything about it was just wow. Newfound respect for the Hero Killer though.

Ympker - August 1, 2017, 4:17 am

True that^^

Although I despise him Endeavor is not called Nr.2 for nothing it seems.

Mafty Navue Erin - August 6, 2017, 6:04 pm

No action this episode but it was good nonetheless.

Spoiler [\(Click to View\)](#) The main antagonist's name was finally mentioned; All For One. That whole "Hand Crusher" scene with Todoroki was funny.

Spoiler [\(Click to View\)](#) Can someone explain to me what All For One is suppose to be? Is he like a replica of Almighty or something, but on the Dark side?

Overall this series is amazing and I hope it goes far, this recent episode wasn't anything special but wasn't useless either I suppose.

Spoiler ([Click to View](#))His power is to steal other people's quirks, use them as his own, and give them to others; Hence the Nomu having two quirks.

His quirk is close to being the opposite of All Might's quirk.

Spoiler ([Click to View](#))I see. So when he "Steals" them does the original quirk owner lose the quirk? Or does he simply gain the ability to use it and pass it on as well?

Interesting

aaron austin - August 18, 2017, 2:56 pm

deku chan!! the second season will be good with the killer of heroes

The Doge of Wall Street - August 18, 2017, 2:59 pm

My opinion about boku no hero academia:

it is like naruto or one piece on drugs it does not have a lot of fillers at all (if any) and just how they serve you the action and drama drives me crazy i cried of hapiness when i watched ep 0 S2

Spoiler ([Click to View](#))

also next ep (tomorrow) the secret of one for all will be reveiled so hyped :D

skelly76 - August 18, 2017, 9:09 pm

This season better end with a bang.

Mafty Navue Erin - August 21, 2017, 1:39 pm

Man, that latest episode was definitely a table turner for the plot.

Nevieth - August 22, 2017, 1:59 pm

I'm loving how they're keeping with the manga so well. Usually, anime skip around the manga using whatever they want while ignoring some other parts.

Really is a good season.
