1/10

This looks like it was drawn by a 3 year old and the animating is hurting my eyes

Is this supposed to be ironic? Like tipping the hat is just super cringeworthy.

LackThereof - May 25, 2017, 7:26 pm

I think the actual logo is fine if it fits with your style (I'm a fan of flat logos myself), but the animation definitely needs to be worked on by someone with experience to be smoother and not choppy like it is currently.
