I see some ub3r's or l33ts that say they never done a deal because "trust no one" .. You have done a deal? You paid omni assuming he will give you what you paid for..

I have done deals before, nothing big at all nothing over \$50. In all honesty my Ub3r upgrade was the only upgrade I paid for, and it was \$25 at the time, and i'm not sure why Omni wouldn't give me an upgrade I paid for when he runs a site as big as this one ?
