Thread: [Upgraded Members Only /// Csgo Case Key Giveaway](#)

bunny.tar.gz - May 26, 2017, 5:04 am

Please read the entire post.

This giveaway will end soon, there is a delay due to trade limitation. I currently do not have a Steam that has trading access. This giveaway will resume when I have trading access.

Hello all, I was unsure which of the sections to post this in. It is technically a giveaway but drawing numbers to pick a winner comes off as a raffle so I decided posting it here may be better. Sorry in advance if I made the wrong call.

This "Giveaway" has some requirements you will need to understand before entering.

Requirements: You must not have an open dispute.

Must be upgraded.

Have a working Steam Account that can trade.

You must also have been registered to HF more than 5 days.

How to enter:

Make a single reply to this thread, your post number is your entry.

The Prize:

The winner will receive 10 Csgo Keys.

If you make more than 1 reply, your entry will be invalid. If you do not meet the requirements, your entry will be invalid.

I don't have steam mobile auth, so the trade will be held for 15 days. If that's not a problem then i'm def gonna enter this contest.

Thank you for hosting OP

My post does not count. Sir, receiving items will not be affected. The mobile auth not being added only delays outgoing items or trades where both provide items. Trades where you are only receiving and not giving anything in return are not delayed at all.
