Thread: [Netsuzou Trap -NTR-](#)

?????? - May 26, 2017, 6:01 am

Kodama Naoko's manga Netsuzou Trap -NTR- is getting an anime adaptation coming this July. A PV was finally uploaded to youtube today.

MyAnimeList Wrote:Yuma and Hotaru have been friends since childhood, so it's only natural that when Yuma is nervous about her new boyfriend, she asks Hotaru for advice. But when Hotaru starts coming onto Yuma for what feels like more than just 'practice,' what does it mean...? With boyfriends in the foreground but a secret, passionate tryst in the background, will Yuma and Hotaru try to forget what happened between them or have they fallen into a trap of true love and betrayal?

Genre: Drama, Shouji Ai

I've read the manga and I'm really looking forward to watching this. If anyone else has read the manga and wishes to discuss it, put that in spoilers so as not to spoil the anime for everyone else. This is a discussion focused on the anime. Who else will be watching this?

Dunno if I'll watch it. NTR but on the other hand yuri.

I guess I'll just flip a coin

Read the manga, and I'm not sure if I want to watch it or not, ugh... dislike NTR

the summary spouts this off as a drama anime with over-emo characters , these kind of shows that give out depressing feels.

Soooo, this airs in a few days. Just found out each episode is 10min long, so I have no idea if this'll be a decent adaptation now...

To be fair, the manga is only at Ch19, and its been progressing slowly.

It probably will. The manga has some too. It is a yuri series.
