Thread: [Boot from .VDI file? \(VirtualBox\)](#)

Quacker Oats - May 27, 2017, 6:35 am

Is it possible to boot from .VDI file (not VHD)??

Quacker Oats - May 29, 2017, 9:41 am

Help.....

Dazzee - May 29, 2017, 12:35 pm

Are you attempting to import a VDI file? If so yes. I'm not sure what Sandbox you are using but Oracle VirtualBox can allow you to import VDI files by File > Import Appliance.
