Sick ink OP! I really like the design of both and it seems well done.

test - May 28, 2017, 2:23 am

I like the second one. Not the biggest fan of the dream catcher in general though - seems more of a girly tattoo. But hey if you like it I can't really judge.

You'll know why I have it if you know the story behind it.?

BR?ND?N - May 28, 2017, 3:10 am

The first one is completely bad ass.

Not sure how I feel about that second one.

Gilbo - May 28, 2017, 3:13 am

I like the second one.

Although what I don't like about it; The girl's eyes are uneven, and the nose ring doesn't seem that good imo.

MMDD_1338 - May 28, 2017, 6:29 am

Looks good, someone needs to work out though

Those are really dope man, the only thing I dislike the is nose piercing thing as I think it looks a bit off.

How much did this cost you? And how did you feel before getting the first tattoo?

Glungie - May 28, 2017, 10:30 am

damn you're fat dude wtf lol

Enchantress - May 28, 2017, 10:36 am

They are both really awesome! I love them both and the theme is cool too. Did any of them hurt badly and what work if any do you plan on getting next?

Flashback™ - May 28, 2017, 10:43 am

Dude the art on that is amazing, shoutout to your tattoo artist.

G*59 - May 28, 2017, 10:50 am

OnlyFinesse - May 28, 2017, 10:58 am

Mando. - May 28, 2017, 12:08 pm

I also have no clue on what I would get

GrandpaSherman - May 28, 2017, 3:53 pm

I don't want to be the one to shit on white people appropriating the native american culture but, that's a tiger. I don't think the natives had to fight off the tigers for their headdresses.

I made some small design long time ago which represents mountains and nature, which are 2 things i really like. Was thinking about my forearm about 15cm height. Getting a sleeve is one of my dreams tho :x

Rotca - May 28, 2017, 5:45 pm

You should go get those white highlights on the nose ring and nostrils shaded in. It looks out of place with white ink.

Move - May 28, 2017, 5:57 pm

They are both sick as hell. I wanted to get something a bit similar to the one on your back but, on my arm.

Thanks for the nice and and not so nice comments! ?

Ha Haaa - May 29, 2017, 3:50 am

In my opinion huge tattoos of only one picture look ugly. I like lots of small ones close together in a huge area.
