Thread: [John Wick](#)

ZuGgY - May 27, 2017, 3:40 pm

I seriously hope there will be a third movie in the series. I loved 1 and 2, anyone else?

cr0sh - May 28, 2017, 9:49 am

John Wick was great one of the better films to come out in the past two years, haven't seen part 2 though. Normally I don't like sequels but I hear this one is worth it.

I'm the same, honestly. 2nd wasn't bad at all. Definitely check it out when you got the time!

The second one was the better out of the two. I, personally, believe that there is more to come since it was named "chapter 2" - I guess we have to wait and find out.

I keep hearing that but not convinced enough gonna check it out one of these days.

John wick chapter 3 totally has to be a thing. The 2nd movie left us off with some much 3rd movie potential. I just expect it to go way action packed.

Yaniel - May 28, 2017, 8:44 pm

I liked the first one but hated the second one. WAYYYYYYY too unrealistic lmao

Already confirmed by a few online source and imdb says "in development"

Can't wait!

c0rephakt - May 29, 2017, 3:48 am

Enjoyed the first one, though it looks like it could turn out to be one of those drawn out movie series where they end up killing everyone in the first two movies and then need to fill out the other 3 movies with fluff.

Interesting. We shall see how it comes along.

marjus - July 24, 2017, 10:38 am

3rd will have to be something.. I would make john create a kind of zombie serum to create a zombie apocalypse so that the contractors stop chasing him but partner up again together to defeat the zombies..something like that lol

rosen2323 - August 2, 2017, 12:54 am

John Wick is one of those rare cases where the sequel outdoes the original movie. If they keep this up with the 3rd one, the creators just might have a shot at quite the successful trilogy!

AcademyAwardz - August 2, 2017, 7:42 am

Yes for sure. These are some kick-ass movies!

CA905 - August 2, 2017, 7:56 am

I personally think it's just as good if not better, some say otherwise... It's preference I guess. Still badass too.

I don't have a source but I remember reading the creators want a trilogy, so expect a third.

Micky_Mate - August 23, 2017, 11:36 am

Great Movie, If someone killed my dog I would do the same.

memelover1982 - September 6, 2017, 10:26 am

The second John Wick was the best in the series imo.

Tr1lla - September 6, 2017, 10:42 am

awesome movie tbh :) i really enjoyed this

rosen2323 - September 12, 2017, 5:21 am

I liked the second movie a lot more. I think it portrayed the mood and rules of the world where john wick lives in a much more detailed way.

waiting for the third!

Baby Groot - September 12, 2017, 5:23 am

This was a huge grave-dig thread but I have to admit it's an incredible film, and John Wick 2 didn't let us down at all.
