I rent my own apartment with gaming roommates.

Still offering this, get it while you can - already doing it for 2 people.

I run an engagement group with over 800 members. If you're looking for someone to test this service and leave an honest review, I can do that. Let me know :)

III. - May 29, 2017, 10:35 pm

Very easy to deal with and informative about everything. Don't hesitate to contact OP!

Jake???????????????? - May 29, 2017, 10:36 pm

Even though i may not purchase due to it being virtually worthless for my account.. I still recommend this service. Was super informative.

Can some user who has purchased give us some results? That would greatly influence my decision.

Those are likes on 2 pics before my service, not only that, but those 2 pics were posted more than a week ago, so it took OVER week to get ~750 likes.

This is after my service (they started my service only 2 days ago, and these 3 pics were all posted less than 48 hours from screeny):

So compare those likes of pics posted in the past 2 days, to the ones over a week ago.

Keep in mind these are real people, not bots, fake accounts, etc.

What's the average comment ratio? I don't want a service that just provides hundreds or thousands and likes with like 1 comment.

My service itself doesn't supply comments, however there are many ways to get comments easily and I can explain that via PM if you'd like.

Comments depend a lot on your content as well - I'm online for the day everyone!

Birdperson - June 2, 2017, 12:19 pm

His service exposes you to other people's page, not necessarily followers

He's referring to the followers I sold him. He didn't purchase the Auto-Engagement service, just realistic/HQ mixed followers from his page by the thousand.

I offer many SMM services, my apologies.

Do you have a picture limit? I seen stuff like this before and they cut people off after 10-15 pictures.

There is no picture limit, however you're only included in 3 rounds a day. You are free to post as many pictures as you'd like, and receive likes on them accordingly. These are real people, not dependent on how many pictures. Just rounds.
