Thread: [Building up a portfolio, request graphics here!](#)

**LePotato** - May 29, 2017, 11:20 am

Hey there!

I'm looking to build up a portfolio of work, mainly so I don't have to show everyone my cringy YouTube banners from a few years ago as proof of my work, which has since then improved!

What I am able to do:

Logos  
Banners  
Avatars/Profile pics  
Pretty much anything

What I am not able to do:

Drawing  
Cartoon stuff

So request away, I'm waiting! This thread will close whenever I feel like ;)

I'd you could create a signature where it says "OnlyProfit" and an avatar that says the same or "OP"  
And some cash or something..
