Thread: [400+ codes\] Free 1 month members codes](#)

VirtualSales - May 30, 2017, 3:32 pm

Hey guys I have about 400 twitch prime codes that was promo for Runescape.

Perks with these Codes:

OSRS > 1 Month Members

RS3 > 1 Month Members / 200 rune coins / 15 keys / Legendary pet

I am mostly going to be giving these codes away to people who plan on making new accounts in RS3 but I can give some to people who can convince me why they deserve it.

Leave a reason why you think you deserve it and I will give some keys out. I will be doing a lot soon as well.

You can chat with me on discord here: [#/EhHjefQ](#)

Why am I giving codes away:

I have over 400 twitch prime codes which I have obtained via talking to twitch users and these codes expire on the 9th of next month and I know I won't be able to sell them all by that time so I will be using most of it recruiting people into rs3 by giving free memberships.

Basically in rs3 if I recruit a friend and they get membership I get a xp scroll that gives me 7 days of 10% bonus xp and when they gain experience I gain 5% of that in bonus xp to that skill on my account. It just helps me max my main more.

Super Trapper - May 30, 2017, 3:33 pm

I would love one of these I havent had member in a few months

Admirably - May 30, 2017, 3:35 pm

My account got hacked recently, I'd like to give it a go again even though i'm a little bit down cause i lost my acc.

1 month membership would be a really nice start :)

DarkCart - May 30, 2017, 3:36 pm

As an osrs f2p with combat level 33 and highest skill being crafting at 45 I'd like to be able to level up faster. Oh yeah, and all the quests.

The codes work on any account. Its just a promo giveaway they did. The codes expire on the 9th of next month so I am gonna at least benefit from them before they expire.

So yes it can be applied on new accounts and f2p accounts

I would have to think about that. He will know that I will be applying the code on a newly made account. (prevents people from just adding it to their main)

TheChosenOunce - May 30, 2017, 6:04 pm

I was considering starting to play Runescape again after I got banned for botting. I would love this opportunity to help you out as well as start a new account with the benefits of membership!

So I can start up my pure and work on him again! Appreciate the contest OP

Infinitum - May 30, 2017, 6:36 pm

I'm gonna make a new account, would love one.

For RS3, I somehow never enjoyed OSRS. Don't bash me for that.

Khros - May 30, 2017, 6:54 pm

would appreciate a code if possible, just recovered my hacked acc literally yesterday; it was cleaned out & would love to take a step into rebuilding! plus it's my birthday! (;

I bot and find these very useful, if you check my thread history I've given some away myself but I don't have nearly the amount you do. Would love to have a few. Please respond soon as there's only 9 days left.

Mafty Navue Erin - May 30, 2017, 7:16 pm

Well, I recently got my first ever account unbanned recently, and it would be cool to have membership on it again.

Kakuzu - May 30, 2017, 7:28 pm

I haven't done anything remotely worthy of free things, but I'd love one anyway if you got any spare. Osrs is best rs.

Cantcoder - May 30, 2017, 7:32 pm

Hi I'd like a code because I want to start a kurask alt but I'm broke as fugg

VirtualSales - May 30, 2017, 7:36 pm

Please read my thread...this is for new accounts not ur mains or old ones.

You say mostly, not that it's purely for RS3 new accounts, seems to me you're only willing to give this out to rs3 players because it benefits you which is a little disappointing, I appreciate the thought at least. Thanks.

iDiv - May 30, 2017, 7:47 pm

It's not going to be on a new account but if you can still give me one, I'd say I deserve it because I've been an active player of RS for a long time and gotten screwed over a lot.

I just came back and the legendary pet + month of membership will save me a lot of money and time.

Thank you!

PS raf accounts work with 07 too.

eyeShockk - May 30, 2017, 8:02 pm

Hit me up with this bro, been playing OSRS since 2013 on and off, don't have any gold for bonds so it'd love this!

CanadianBacon - May 30, 2017, 8:04 pm

I'd love to have a osrs 1 month membership if possible thanks for this op:)

Damp - May 30, 2017, 8:38 pm

I would love to have one of these to start up an alternate account, have been waiting for the opportunity to do it, and this would be an excellent one.

Thanks in advance OP. Great thing for the community.

Nathann22 - May 30, 2017, 9:15 pm

Would this work for 2007scape?

canine - May 30, 2017, 9:17 pm

You should throw a code my way because my grandmom has been paying for my membership for the last three years but she's going to die soon and i don't make enough money to support my addiction thanks

Timo - May 30, 2017, 10:22 pm

kinda wanna try out rs3 for a while.
seems cool with a lot of content.
would be awesome to get a code.

Sleep - May 30, 2017, 10:45 pm

Amuse - May 31, 2017, 12:37 am

I've had the idea of creating an Ironman (: It'd be cool man, let me know

HEISENPUG - May 31, 2017, 12:58 am

Can i get a 1 month code please?

Thanks buddy!

Waffle - May 31, 2017, 5:29 am

My membership is about to run out, I'm a long time RS player since I was young in like 2005-6 and I just got back into OSRS after a 1.5 year break. Having a lot of fun but bonds are expensive so would love a code.

ChingChang - May 31, 2017, 6:34 am

Been wanting to play for a while but had no membership - i'd really appreciate it!

Thanks man.

R A B B - May 31, 2017, 6:43 am

That's awesome!

I would def like a few if you wouldn't mind

koyd - May 31, 2017, 9:06 am

Would love to get a code.

Pretty new to the game and the member skills are pretty cool.

KushForPrez - May 31, 2017, 9:13 am

I just started a new account which i want to make a pure, and skill on.

I would really appreciate the code if i could get one :)

I Am Kira - May 31, 2017, 11:52 am

Wow I'd love a month of membership. I'm a main myself with member so by all means I'll be happy to pay 2-3m if you'd like to see it to me.

VirtualSales - May 31, 2017, 3:19 pm

Guys I came back from work with 24 messages all asking for codes. Those who pm'd me are not getting codes. Please read my thread.

Mutes - May 31, 2017, 5:35 pm

I'm not making a new account but I'd be continuing to play RS3 with this. I've kinda stopped playing since my membership runs out and I really can't afford it.
Being honest, no reason for me to make a new account.

Anissobest - May 31, 2017, 5:47 pm

i never played RS3 i'd really enjoy playing with some stuff/items

Jaatinen - June 1, 2017, 4:30 am

I would love to have one on my main on osrs. I have quite a lot of stuff and skills, but no money at all to buy a bond. I had 3 days left on my pure account and I ran air orbs for 15 hours, I still was not able to make a bond, only 1.8m so I'd be really glad if I'd get a full 30 days membership so I can start rebuild on my main and get some real levels.

Thank you sir and kind regards :)

No?orious - June 1, 2017, 4:57 am

Yooooooo. I would love one for RS3 For my old as hell account with 6 99's, I'd be forever grateful. ?

God of Thunder - June 1, 2017, 5:02 am

I am planning to start a new Ironman account and if you could hook me up with a code, that'd be great man!

Prophett - June 1, 2017, 5:03 am

Can I get this if you're still giving them away? Thanks!

?Paddy? - June 1, 2017, 5:10 am

If you have any laying around, can I please have it?

drake. - June 1, 2017, 7:16 am

If you still have any of theses I would happily take one! :)

Callmedragon - June 1, 2017, 7:40 am

I play OSRS and would love to have one of these codes!

Irobert98 - June 1, 2017, 10:13 am

I played osrs and have been grinding out to make money f2p as all my items are p2p and it's getting me nowhere so if I was given a code it would save me hours on hours of grinding out f2p money making.

VirtualSales - June 1, 2017, 3:53 pm

handed out a few. Those of you who are messaging me...Don't message me.
I am going to say this again.

Stop messaging me that you play osrs and u want a membership..read why I am giving it out.

Vevion - June 1, 2017, 7:49 pm

I'd like one for use on OSRS, since I play osrs and not rs3. It will be used on existing account, why? Well, not really a fair reason as to why, I would however highly appreciate it.

zillakami - June 2, 2017, 7:16 am
