Im sue most of you know what i mean when i refer to the "Magi Series"

Incase anyone doesnt know, im talking about these:

Magi: Labyrinth of Magic, Magi: The Kingdom of Magic, Magi: Adventure of Sinbad

I've been up to date with netflix on the series, its a really good anime, it has its moments, i personally think its an amazing anime. I'm waiting for the net season of Magi: Adventure of Sinbad.

What is everyone else's thoughts on this anime? Has anyone else watched it or plan to watch it?

Great anime. Sinbad story was great as well.

I just hope there will have another season.
