Thread: [Free Signature & Thread Design \[L33T/UB3R ONLY\]](#)

| **SASS** | - June 3, 2017, 2:50 pm

Hello community I want to practice more in GFX so im open to create thread designs or signaatures for any L33T or UB3R member, just comment here or PM saying what you want and whats the idea and I'll do my best! ??

Have a nice day! ?

JohnBarr - June 5, 2017, 1:51 pm

I just sent you a pm, thanks for the service!

I'll do all the works that people send to me & once I can reply PM's and post links I'll be posting all who requested (during this week because im busy with work so stay tuned and I'll reply PM's and post works once I can.) ??

Have a nice week!

Going to PM You right now, Thank you

Ramsey - June 6, 2017, 6:45 am

Sent you a PM!

Hope we can agree on something!

Reporter - June 6, 2017, 6:46 am

Can you do a signature that contains the information already in my signature?

Sonata - June 11, 2017, 1:34 am

PMed, thanks for doing this mate.
